dinner with boris last night (and sam)
most of dinner was them fawning over you
it's nice to see! sometimes i forget all the funny things about you...and how wonderful you are.
weird but wonderful!
ha ha

PLEASE TRY some ICE COLD BAOBAB juice. I'm serious. it's really neat stuff. it's only fresh in 2 african places and dakar is one of them. (madagascar is the other). Also, BISSAP is hibiscus tea (sometimes they add too much sugar) but also something only in dakar.

you will get hooked on baobab. it's just juice, and it's boiled first. it's a natural remedy for a bunch of stuff.
