Great... I started working w Kate Nauta lately. She hasnt done much in the way of film since Transporters 2, mostly she has been doing music. Here's a video, if you want to meet her I can bring her by sometime. She is infinitely more talented than [REDACTED] and really bright.

Will you ask [REDACTED] to come to NY and be my love slave? :) I can rent for her an apt...she is also a great scout...fearless.
[REDACTED] is staying w me, she's always saying "I can't figure Jeffrey out", hilarious :-). She was very happy about today (zink)... I'm working on her, she is ok w lingerie I think, otherwise still kinda conservative. The good news is that other guys are trying to date her and it seems that she is gradually starting to forget about her bf.
