the closest airport I find is Napa County airport, 5900' x 150' runway,
airport info: <http://www.airnav.com/airport/KAPC>

if we depart with a temperature of 70 degrees, we should be able to make Napa - NY with this runway,.flight
time is 4+50min (average temp running 90 degrees high and low 58 degrees in the evening for Napa at this
time,.

**Not sure of date in July for Napa trip, I'd like to take 3 days vacation July 29th - 31st if possible, I would
be attending a wedding of my Nephew in Atlanta GA those days, the actual wedding is July 30th if you
could insert in JE's calender, for his approval,**
thank you,
Larry
