Subject: S76 upadte

Jeffrey,.

Reenstra is working a deal with Aenta insurance,

George has working a deal for Sikorsky to take 750 in trade from aenta, since thier D model delivery is 3 years away,. the plan is:

Aenta has a S76C+ george would take on trade, for 1.6M

Aenta would pay 12.3M for 750 (c++)

cash imidiate to you would be 10.7M and george would sell the S76 trade in shortly after since its only a 1.6M ship,. to pay the balance to you,.

Aetna would operate 750 for three years while waiting for the D model delivery slot, sikorsky has agreed to take 750 in trade from George when Aenta D model delivers,.

all these numbers could change, until Reenstra gets this in writing from all parties,.just an update at this time,,,

thx

Larry
