Jeffrey, I looked at last years flight logs (2010) and you were in Paris and Dubai combined for 12 days in Nov.(which does not include the days you flew from the US and back to the US...if you add those it is 14 days)

I looked over the logs for 2011 and I show the same as Delson: 7 days in Paris in Jan. (he does not count the days you flew from the US and back...and 9 days in Paris in March (once again, not counting the days you flew from the US and back)

If you scroll down, you should be able to see the chart of your days for 2011 from George (I hope!)

Lesley:

You may want to keep a copy for your files but please pass this on to JEE.

Hi Mary Ellen. Can you please
ask George to count up all of Jeffrey's
days? I faxed

you over his most recent flight logs. He
left this

past Saturday April 23, 2011 for the island
and is

still

there now.

I will get the monthly calendars faxed to the
office to

help him out as well.

Please reply back and let me know when we
might

recieve the

information...

Thanks [REDACTED]
