Subject: Your Yahoo! Mail Plus auto-renewal is just around the corner

✖ **Ready for another
year of email
bliss?**

Hello Jeffrey,

Thanks for using Yahoo! Mail Plus. Can you believe a year has flown by since we last talked dollars and cents? That means it's time for the annual auto-renewal of your service.

Your Yahoo! Mail Plus service will renew on 05/16/2011, and your credit card will be charged the annual fee of \$19.99. If your billing information is up-to-date, there's no need to do a thing (except keep enjoying your email) and your service will continue without interruption..

We have made some changes to the Mail Plus service. Your premium service will now include POP access, no graphical ads, live customer care, Addressguard, no account expiration, and 200 filters.

To double-check your billing information, please visit <https://billing.yahoo.com>

and click the **Your
Payment Information**
link in the top-right
corner.

Thanks again,

The Yahoo! Mail Team
