Jeffrey each time I think of you very strongly next day I find the message from you! Aquarius connection:) I am very delighted you have me on your mind sometimes! I am doing good, preparing for premier of my new performance [REDACTED] which will take place on June 16. I've got a leading roll this time, my appearance on the stage will be more when often..it demands a very good physical and emotional preparation. I do enjoy my long working hours in the studio despite the horrible exhaustion, but the thing I do, inspires me and treats my poor existence.:) Jeffrey would be very nice to see you sometime. if I had free day I would take a first plane to Paris...however, I hope it won't last ages to get a chance and see again! miss you very much I've attached promo video of my coming performance, it's here if you would like to see:
