Jeffrey,

Over the years I have developed a habit of imposing on you periodically. I believe it is very important that under those circumstances, you maintain the habit or the imposee may forget who you are and no longer allow the imposition.

Based on this philosophy, I would greatly appreciate the use of a vacant apartment, if one exists, on the evenings of May 18 and 19. Of course I understand that well may not be possible and you should understand that either way, I will try to keep up my habit.

Hope you are well and enjoying life.

Jerry
