i also wanted to discuss with you as far as i am running everywhere by metro, or taxi (if i have chance to catch it)
maybe if i go to see girls and maybe so other your business i can use your driver and another solution... like for example now, i have a call-2 girls can be good , but i need to go to see them outside of paris, 20 min away but still, taxi not going there and the metro either..and they cant come to paris

i could be much more productive and fast...

let me know

I'm sorry you are bored. I wanted you to know that I am
disappointed. I measure what happens as opposed to words. This
week has not been fruitful
