Jeffrey,

This is not the rumors, stories and someone's opinion what I am afraid of. I am afraid because I do not know you and I am not sure what can I expect. I understand that if you'd help me with my education I'd depend on you completely, and you are such a powerful man, and what I am afraid of is that you may change your mind because of something you might not like. I know you didn't give me any cause to think like that, and I wish I was wrong, but unfortunately this world is very cruel sometimes and in most cases we have to pay a certain price for things. I should say that I have read some information about you in internet, and even though I understand that some details their may be axaggerated or not reflect reality at all, but it made me feel bad. I can not know what is true, what is not, I only know what I saw myself, and I want to believe that you are this rare exception, but I don't know if I can trust you. Sorry for this words, but I'm telling you how I feel. And this was the reason for my decision.

As you know I value honesty. I told them that I thought you would make a great candidate. however , for the moment , you had decided that rumors and stories, were not something you felt able to cope with.. Silly , but you as you say are entitled to make your own mistakes.

Do you have 5 minutes for a phone call re subtleties of Korina's application this afternoon? I am also copying our Director of Admissions, Dr Zubiaurre, so that she is up to speed on Korina... also most Admissions info such as required courses et al is already on the web, but her former studies requires some special considerations... e g we mus t establish that her 5 years in Belarus was equivalent educationally to a baccalaureate degree in US college...can hopefully do so with TRANSLATED transcript... Also needs to study for and DO WELL on DATS! Best correlation w academic success here in a curriculum shared w the College of Physicians and Surgeons... CUCDM has highest scores in

the 58 US dental colleges over last THREE years... Cal and we can discuss how best Korina can prepare. FYI, I did explain much of this during her visit, and there is a good deal of this on our website, but it is a lot to remember... Mr. Epstein's recommendation means a lot to us, as you are aware.
