Subject: Bell 407

Jeffrey,

my meeting with the FAA is in Orlando at 8:30am this week, would be ok to use the Bell 407 to fly in for this meeting?

I did minimal flying after the annual since blade tracking was perfect, I usually do 3 hours of flying to get blade tracking correct, I would consider this a maintenance test flight so our insurance is good,.with no additional cost,.

is this approved,?

thank you,

Larry
