why doesn't the general pick up the trees in Puerto Rico.. the shipping is too high. There should be few trees on the beach,, we should decide where they go now.

Good Evening,
Please forgive me for getting this out so late,,,,it's been one of those Days/nights.
Still the Show Must Go On!

Please review the 2 attached Excel spreadsheets with ALL the info regarding the upcoming palm/plant shipment.

If All goes according to plan;

- I will Go Measure and Tag Trees, and inspect the quality of Gingers and Ground cover Next Wednesday May 11th
- I will go to the Fruit Tree Farm and Select the Fruit Trees and Arrange for them to be Brought to the Palm Farm, Thursday May 12th
- Saturday May 14th - Wednesday May 18th Trees will be dug, extracted and loaded
- *Flatracks Must Be at the Farm by Monday May 16th
- I Will return to the Farm to inspect the Loaded Flatracks Wednesday May 18th
- Thursday May 19th Palms will be trucked to San Juan
- Friday May 20th Palms will be Shipped to St. Thomas
- Saturday May 21st Palms will be delivered to LSJ (Using The General)
- We will off-load the Trees and Plant them along the Beach for Temporary Holding
- Finally the General will return the emptied Flat Racks to Tropical

Then we'll try to arrange a Fat Lady to sing for us!

Thank You and Good Night

Igala
