I think it best that we communicate by email.. since when you see me the first thing you do is call me a liar. then go on to hookers etc. An F-1 allows you to do part time work ,, you could start there and have more time.. I will pay . You could get in your flying hours if that is what you want . Blaming me for not decisively breaking up earlier and trying to stay with someone i love , is troubling me very much. I asked you to re-read the email i sent yesterday. You seem to now disavow that view,, you walked out ,, we have not gotten along for quite a while .. I have asked you to propose a solution re your visa, that has the details. The E2 requires a real business and business plan . I have not given up, but can't find it yet. its very tricky . I have been unable to explain that your actions determine your outcomes. not me. Like teenagers that does not know anything but watching tv, i know it is difficult to have to grow up and make your way. your suggestion that it is my fault for not forcing you to do it earlier has merit. This is silly. you were my girlfriend, you stood by me years ago as i have stood by you . I have no bright ideas
