set up test device and got a very clear signal (test call made to januz and he commented how clear it sounded)

I would recommend 3 more Micro Cells

cost is \$199 x 3 plus tax

so \$600-700

Need new d-link switch cost is \$300 moving to gigabyte from 100/10 t

Apple Airport extremes wireless n replacing the g access points

10 x \$180

ethernet cables

10 \$100

Please let me know if this is ok to spend \$3,000 for basic network upgrades listed above, this would improve wi-fi and cell phones usage for the main house.

I am setting up a meeting to get a current proposal on the microwave bandwidth upgrade.
Details when i have them.

thank you

Scott
