A WAY TO GET ALL THE FRONT-PAGE NEWS FROM AROUND THE WORLD

<http://www.newseum.org/todaysfrontpages/flash/>

Put your mouse on a city anywhere in the world and the newspaper headlines pop up. Double click on the city and the newspaper page gets larger...you can read the entire paper on some if you click on the right place.

Also, if you look at the European papers, the far left side of Germany will pop up as The Stars & Stripes (European edition, of course).

This site changes every day with the publication of new editions of the paper.
