fyi- Dr. Magnani just called...he says the school was under the impression you were going to tour the dental school as well with [REDACTED] and had the Dean and other important pp ready to shake your hand! Dr. Magnani did not think you were going, wires were crossed and enthusiasm was high... he says [REDACTED] is receiving some star studded attention! Dr. Magnani appreciates all you do for him and says he will try to call you later...or just speak with you tomorrow (at your 4:30 appt)
