Subject: Introduction

Hello to the three of you.

Michael is a YGL and I spent some time with him in Cape Town and London – transitioning from Barclay to WEF very soon.

I am constructing my very own Venn diagram between you guys....I think the overlap space has potential.

There is perhaps quite a lot for you to discuss relative to the ideas around innovative finance and Lord knows, probably math and physics too.

Not sure of everyone's travel plans but I recall that Michael may be in NYC next week.

I've mentioned this introduction to each of your separately but figured that a formal linkage was the best next step.
