Jeffrey,
I flew S76 with George to a small airport north of Teterboro, the client looked at the helicopter, said good things about it, George will update us in next few days if the buyer is real. The heli is at AAG now starting annual, 2 week down time estimate. Dave and I are heading to palm bch now on airlines. Any thoughts on Paul's 1.725M offer on bell ?
Thank you,
Larry
