Hello Jeffrey Epstein,

[redacted] has sent you this e-mail to make it easy for you to provide assistance with the payment of expenses at BYU-Idaho.

Please understand that you are under no obligation to make any payments you do not wish to make.

Message from [redacted]:
Hello, this is [redacted]. My aunt [redacted] said that you sent a check to BYU-Idaho, and it was sent back. I did a little research and figured out that you can either send an 'E Check' directly to the school that will be deposited to my student account through the link provided, or you can send a paper check to the casher's office at: [redacted]. If you mail it you have to mark it with my name ([redacted] [redacted]). If you have any questions please email me at [redacted] Thank you so much!

If you would like to make a payment on this individual's BYU-Idaho account, please click the link below to enter the amounts you wish to pay and your payment information. Payments can be made with an E-Check or a MasterCard (a bank service charge will be added to MasterCard payments):

You may also add money to this individual's I-Card declining balance which can then be used anywhere on campus to make purchases.

This link will be active through 03/28/2011
