Greetings [REDACTED],

I contacted a local nursery (Bryan's Plants) to see what species of bamboo was available if JE just wanted a sample, while Arran is researching with the PR nursery. They carry two species:

"Golden Goddess" (*Bambusa multiplex*): maximum height 8-10 feet, stalk about 1 inch in diameter, sold in 7-10 gallon container for \$75;

"Hawaiian Stripe" (*Bambusa vulgaris Vittata*): maximum height 50 feet, stalk about 4 inches in diameter, \$150 each

Bryan's Plants confirmed having some of each in stock, their weekend hours are Saturday 8 am to 4:30 pm, and Sunday 8 am to 1 pm. They accept check or cash, no credit cards.

Please advise, DW
