Whom are you most interested in meeting.

I can organize almost anybody but not sure what you want.

There are some super stars of science (Eric Lander of Broad/MIT, Susumu Tonegawa – a nobel winner), big stars of science (Bruce Walker of Harvard/MIT, Bob Langer of MIT), some less prominent scientists?

Would you like to meet deans, provosts?

Or if you would like I have a list of most promising college/graduate schools folks that are on the way of becoming starts.

Can call you tmr or Saturday to discuss.

Just on the way to San Francisco.

In Boston on Saturday-Tuesday.

Hope you are having fun!

B
