Termite activity has been found in the crawl space below the new kitchen

Since the buildings have not been treated for termites in the past Five years, we had 2 companies bid

Professional Killers. \$20,100.00

Terminix. \$10,620.00

Treatment has a five year warranty and is for main compound, tiki house, library, master bedroom, nap houses, kite house, mgrs cottage, beach office, gym.

Discussed this with Gary and he agreed that we should proceed with treatment.
