I know you think this has no effect on my friends or my life but below is from a friend – or I guess and ex friend and someone I was actually working with..

Hi – in ny again so not around.

Have to also be honest with you and say that i feel v uncomfortable with all of the stories in the press – even knowing that much of the stuff will be exaggeration, fictious reporting. I feel shitty about saying it as you’ve never behaved with me as anything other than a pal. But i’m sure that you are not in a position to tell me what is and what isn’t true and while thats the case i would find it hard going out for an evening and having this uncertainty hovering around undiscussed.
