As I mentioned you, I will be in London for games between July 30-August 7th. Can't change that.

Next time for sure.

There is one good friend you should meet - although she might be totally busy at that time.
She is just confirmed as a new CEO of Google.

I am very good friend with her and her husband.

I introduced her to [REDACTED] as well.

She would meet you for sure - the only problem is that this will be her first month as Yahoo CEO and she might be swamped.

I am going to her home for dinner next Thursday - will ask her.

Boris
