I went today to the doctor they did full checking for diseases , she said I'm very good but I got a virus called Molluscum Contagious , she said it's not dangerous , it's could be even on a child
,her son had on arms but mine on my pussy , do you remember I were complained about a big pump There. I cant imagine how i could get this virus ,could be only somewhere in the gym or from a sex but i do have sex only with you so she said I need to go to dermatology doctor , and she gave me a number of the good skin women doctor who works with this kind of problems , I know you have doctor victor but I don't feel comfortable with the Man doctor don't want he see my pussy :/ so what should I do? Make appt with the doctor she recommended
