thanks , frank is a scumbag, this is a shitty agreement for you,, however it says that imad must provide security for your loan , as soon as you ask,, I would immediatly , draft an email that says the following,

::: As per our loan agreement dated sept 27, 2010. and given the fact that you have received monies from the sale of the elite interest defined and have continued to refuse to transfer monies as the installment in paragraph 3 suggested I am hereby demanding security for the entire loan as is my right described in paragraph 6. and will take all necessary steps , at your cost , to enforce my rights , if i do not receive payment of the 56k euros that i have been promised no later than april 30 2012. Im sorry that it has again come to this but , as you know this agreement was made as part of our overall settlement and a non delivery of the security will be deemed to be a violation of your agreement.. I will leave all options open as to all the other issues previously agreed in your interest.
