Subject: FW: Update on 5 palms

Brice,

The Crew boat has left. I need arrange transport to get the parts for the boss.

Regards

JRuan

Good day boss,

The switch are programmed and ready. The trouble is Danny was given misinformation on the length a signal will travel on multi mode fiber (distance 1080 ft). I can fix this by installing stronger fiber lasers to cover the true distance of 2500 ft. I can retrieve these lasers from an associate and come back out to install for you tonight? Do I have permission to do so?

JRuan
