hey,, I want you to know i am concerned about [REDACTED]
[REDACTED] I am a friend(my highest ideal and
unbreakable principle) I sense that you are [REDACTED].. I have considered
coming out there to have an intervention.. your [REDACTED] has weird [REDACTED]. your
conversations have been strictly money and people you know. I can't imagine how difficult some
of the shit you are going through is. you have enough money !!!!!!!!!!!!!. making more is simply
adding to something you already have a lot and wasting time which you never have enough of. I
would strongly advise you to hire someone to sell your business.. i said the same last year,, pay
them 5- 10% get their attention. it makes no difference ,, except to your ego./ I need you to
stay mentally strong , and grounded. I would like you around for a while longer. [REDACTED]
[REDACTED] . ? ? [REDACTED] . I am there if you need
something, but hearing you again fucked yourself by over exertion, and might do it again " if they
ask me" is troubling ..
