as discussed,

We would highly recommend that Danny Vicars should remain as part of the future crew as head of IT,Electrical maintenance department.

In effect he would be replacing Gary Moses.

Danny is presently employed by Island Grounds employees as the Batch Plant operator, annual wage of \$71,825.00 per year, not including any overtime.

I propose the following Salary, \$76000.00 with Payroll taxes and medical, total package would \$106,870.00 per years

Gary Moses was on \$76000.00 with a total of \$100,363.00 per year

The difference is Danny wishes to have his wife on his Medical Insurance

Proposed transfer date from IG to LSJ would be April 16th, 2012

Jeanne calculated Payroll Taxes

do you approve
