Left message and email for Geoffrey West.

Spoke to Kathryn, she said Woody can't commit till a day before regarding going to the ranch, so really it's up to you when you'd like to visit the set in San Fran. If you come and they are able to go back to the ranch, then great, but can't give a date. They aren't there yet, so it's hard to say right now what day would be good to come to set as far as them shooting an interesting shoot, location, etc. I've asked her to keep us posted once they have an idea of an interesting day to go
