one more thing, i am not sure if the girl whom i will work with in Paris will have enough space at here apartment..probably her sister is coming to vist, in this case i won't be able to sleep there. would be possible to rent a petit apartment in Foch avenue, where the last time you allowed me to stay with [REDACTED]? i am planning to be in Paris on 20th or 21 on July till 1st of August.
