as you can see from the 06 trust no indirect contributions allowed. again , each entity on these sheets including the decision on distribution needs names. (is Leon giving to leon , Leon borrowing from leon , leon negotiating with leon,) etc. did you get an sec lawyer to review filings? I will be in london, tonight, and unable to get to these things until late next week, have a nice weekend

Values in the right column came from attached reports by Empire. Each GRAT got % interests commensurate with value they contributed to LBF and then same sort of calculation was done with June 7th valuation reports when Leon and all the trusts contributed assets to Black Family Partners. Nothing else was added to LBF.
