Just spoke to Mattie. She does not know where her father is. She said, "Maybe a business trip". Mattie is very lackadaisical about life.

She is working 12 hour days and loving it. She is in a band playing the drums.

She has no time to ever see me...although I am a bit busy too...is very sweet on the phone but has no interest in anything but her own life. Very typical for her age. Peg
