Subject: Re:

I think you should take the office ,, leave it exactly as is, tell them you want it, immediatly or as soon as possible for the next three months. to rent. after those three months you will decide on lease.. you can start asap. put up a sign,, organize , and lets see how it works for three months without having the risk that you get stuck with the difficult space

when you are leaving?

i was thinking yesterday a lot about team about office, it will be perfect)

Best regards,
