I am well. Progress ... Yes and no. I broke up with my useless boyfriend for the last time. U know me. I do things when I am ready. :) I am working and i think it is great that I have got constant income while I am trying to figure out what I want to do with my life. Right now I have my family that needs my support , and I am still not sure what I want. I know you always right. But I'll come up with something. I miss talking to you. Xx
