hey

Its been 2 weeks i am here in [REDACTED] and like i said in my previous email i am really focus and go to all the castings...

Now on the other hand today i didnt have any casting to go to and tomorrow same plus yesterday i went to 2 casting that was so so...so my point is you are the best in the business and i know you can really make things happen if u want to and i think i can keep up with the level so i would suggest that u send me to more casting with a higher level so my capacity and potential as well as yours are really used with efficiency..i would also like to meet all the big clients..

So obviously you will tell me to be patient but lets face it we can do better than that together as a team no?

What do you think?

best
