Last time you asked me how i earn money for the channel:

- sell advertising on the channel for the brands
- sell franchise of [REDACTED] for different contries (350.000/year)
- we can search models and place them to the agencies(ma commissions)
- i ll translate the website [REDACTED] n french and control all french advertising on it.
- we work with hotels, restaurants for exchange (we make movie about them and put on the channel and they give us rooms and etc for free)

I am already doing all of this right now by myself.
