LSJ has an offer to purchase the cement tanker.

Darren, Please review the attached bill of sale and return.
Jeffery, per our conversation please approve sale.

There is a link below with used tanker pries. This unit is older and in poor shape. We might get a slightly better price in the states but the shipping would eat up any extra revenue. This is specialty piece of equipment and of only use to a select group of buyers.

Please approve sale. Price: \$10,000

Thanks;

Craig martin
