you will always have my support..... I understand that things seem confusing . Im sorry, . the answer that you didn;t know whatyou were thinking, is hoeefully a short lived event. Yesterday i was told that the deal that i should have been paying attention to that ,darren and erika were relegated to handle ,while i choose tiles and floors blew up . I have tried to explain that i have real work to do. and that we all have to meet our responsibilities before vacation. I am happy to see you happy.. you can always count on me, that does not mean however that after crashing my car , three times in one month , that it is in your or my interest to let you drive again without restricions.
