I am back in Seattle for only a day.
Tmr a whole day of mtgs with Bill and after that again catching flight to London.

I was thinking of taking train from London to Paris around 4:20 Tuesday which would
get me around 7:40pm to Paris.
Sam will be with me.

We would stay with you until Thursday early morning when we leave for Vienna.
This would give us a whole day and two nights to catch up.

OK with you?

B
