I want you to be happy and grow. I tried to introduce you to leon and tom, have spent time trying to give you my best advice. in the ten years. separate from the two jars of jam, which stood out and i appreciated, not a cookie, sweater. gadget, book, .. or any small sign of a two way street. not one interesting person, gesture,, I have no doubt that you have good feelings towards me and i appreciated your reporting back re the larry summers attitude. you should continue to be secure in the fact that i am there,
