On each of your C++ purchases from Sikorsky I made approx 250k. Selling your C++ to Lerner I made 100k, I think on the sale of the B model I made 100k.

Darren advised that you and I would talk about the final payments. I have attached the emails between us on that subject. As you can see I was paid on the sale of the C++,this was separate from the split on 472. We then agreed to split the profit on the sale of 472. The trade value was 1.5m, I sold it for you for 2.2m For a gross profit of 700k My sales expenses were 7500 (Darren has all the documentation) I was also paid 100k at the closing. I have asked for over a month what your costs were so we could settle this as we agreed.

I am on my cell an available
