apts.. TVs, ipod docks, mattress, printers. Still working on selecting some rugs,
accessories. I don't have any of the things Karyna or Sue want for their apts
yet, so can't fill in pricing, etc for anything for those apts, and still working
out pricing for painting apts with Michael/Ion. It doesn't really give you much
info until the list is complete and I don't feel 100% comfortable with the final
furniture list until I'm in NY again and can properly measure out furniture in
the apts and physically be in them. I don't feel comfortable working with a floor
plan yet; hard for me to visualize. I know basically which furniture I like, but
most styles come in different sizes, lengths, etc. I know this won't tell you
much, and until I'm in NY and in the apts, I don't feel I can really give final
decisions on things for pricing.
