saw boris tonight
he is planning to set up a mtg w me, at bill's request
as i was driving home, i realized that bill is going to ask me what i want
or he will ask me what i would like for him to do

not sure he will/can do much
foundation-wise: since jeff raikes (foundation CEO) hates steve and is trying to get revenge by being mean to
me, and has told me so to my face.
bill's world otherwise: melinda does not like me at all, plus she typically sides with jeff

would it be rude to turn down a meeting with bill?
i hate having a meeting with him without any clear possibilities
