next we will send emad a nastigram that says , i dont think you want everyone to know that you lived off of me for many years, that your finances are solely as a result of you getting money from young models. I want you to pay what you owe, and i dont care about any more excuses.. Our settlement will be declared void and I will i believe get most of the money that you have taken from me , back to where it should have stayed in the first place.. you have behaved badly, have continued to refuse to live up to your obligations and have only a short period of time to rectify, this situation, // I hope this time you decide to choose the right decision . I do not want to hear that you are offended by comments regarding your character ,as if I dont get what you have agreed to pay, I am assured as well as you should be that the confidentiality provision in our agreement will then be null and void ,
