I got rebooked on a different flight through Pheonix.

I land at midnight. Not sure how long it is to your home.

Please do not wait for me. Just go sleep. I will see you in the morning.

Hi Steve,

As I mentioned to you on the phone, Boris' flight is delayed and we had to reroute him.
He is now arriving on US airways flight #2988 at 11:59pm.

Thank you,
Yeon
