So sorry to place more pressure on you re this.

It took me a lot of pressure to have them reserved for you.

Please decide asap and let them know.

I still think that you should go!

Hello from Morocco! The Lifeball people are asking me if your friend Jeffrey Epstein is still interested in buying tickets. They have not heard from him yet. Just tell him he needs to buy his tickets asap since they will sell them to others if he's not able to attend.
