Hi Jeffrey, I know you are very busy, and although I have no idea whether you received my first meeting proposal, I'm sending a second version with far fewer people. I would like to bring the five senior people from Georgia, Susan Chapman (Clemson Univ.), who works on chicken tails, and Hans Larsson from McGill, for a total of 7 people to mix with our 4 here at MSU, for a two-day meeting, now preliminarily (from the Doodle poll) scheduled for October 24-25.

The reason for bringing five people from Georgia is that this group is proposing to do a bioinformatics-based approach using comparative gene expression profiling to identify likely targets and transgenic technologies to modify their expression and/or function in chicken embryos. this is really big, and a very important component for the success of this project.

Also, the post-docs I have working here at MSU have gotten the protocol to create transgenic quail, which we hope will work for most experiments.

All the best,

Jack

The budget would then be:

BUDGET

In-country airfare (Athens or Greenville): $\$600 \times 6 = \$3,600$

Out of country (Montreal): $\$800 \times 1 = \800

Hotel: $\$125 \times 6 \times 3 \text{ nights} = \$2,250$ (one sets of people will share)

Meals: $\$50 \times 11 \times 2 = \$1,100$ (two lunches and two dinners would be catered)

$\$50 \times 7 \times 2 = \700 (meals for participants during travel to and from)

Transportation: \$200 (transportation to and from the hotel and museum)

TOTAL: \$8,650
