You made the day! Thank you. I am only disappointed we didn't get to tell Dan he did an amazing job with Cuban tonight. Totally pulled the wool over his ears. You would have enjoyed it. (I am a little bit in love with him.)

The conference was more than the sum of its parts. I felt very well-fed after spending time among the nerds today. I will try to formulate my thoughts about what I'd like to do over the next few days. Thank you for taking the time to indulge me today. Bettina sends a massive thank you too.
