Dear Jeffrey,

[REDACTED]

[REDACTED]

among others, I intend to apply for the LL.M. Program at Harvard Law School. Do you have any recommendations what they might like to hear/see in the personal statement? Where have you been teaching? Undergraduate? Kennedy School?

This is what they state on their website:

"The program is designed for intellectually curious and thoughtful candidates who come from a variety of legal systems and backgrounds and who have demonstrated an intent to return to their country to contribute to academia or the legal profession."

What else? Are they more business oriented? Or, I want to save the world and help humanity - oriented?

Thank you!
